**About the Editor**

**Froma Walsh, PhD, MSW**, is the Mose and Sylvia Firestone Professor Emerita in the School of Social Service Administration and the Department of Psychiatry at the Pritzker School of Medicine, University of Chicago. She is also Co-Founder and Co-Director of the University-affiliated Chicago Center for Family Health. Dr. Walsh is a past president of the American Family Therapy Academy and past editor of the *Journal of Marital and Family Therapy*. She has received many honors for her distinguished contributions and leadership in the field of family therapy, including awards from the Division of Family Psychology of the American Psychological Association, the American Family Therapy Academy, the American Association for Marriage and Family Therapy, the American Orthopsychiatric Association, and the Society for Pastoral Care Research. Widely published, she is a frequent speaker and international consultant on resilience-oriented professional training, practice, and research.

**New to This Edition**

- Reflects important research advances and the changing contexts of family life.
- Additional chapter topics: kinship care, family rituals, evidence-based assessment, and neurobiology.
- All chapters have been extensively revised.
